

even proud gays or lesbians; with more and more movies, TV programs, and books communicating the message that "gay is O.K."; and with the threat of potential law suits hanging over radio and television stations if their management allows any programming that could offend the gay community; pastors and churches are becoming hesitant and even fearful of saying anything about the sins of sodomy and unnatural sexual activity. And on top of all this, there are Christians who say that homosexuality is morally neutral, and who distort the Scriptures that condemn all such activity. IN THIS WAY THE HOMOSEXUAL REVOLUTION HAS COME TO THE DOORS OF THE CHURCHES!

In fact, there are congregations of practicing homosexuals who claim to be Christian churches! There are even gay and lesbian pastors in some churches, who act as role models for their people and their communities!

But in 1 Corinthians 6:9 Paul says, "Do you not know that the wicked will not inherit the kingdom of God?" And in the various categories of wicked persons that he mentions there are homosexual offenders!
