

# SYSTEMATIC THEOLOGY 4

## CLASS NOTES

### BIBLICAL THEOLOGICAL SEMINARY

Robert J. Dunzweiler  
Associate Professor of Systematic Theology

NOTE: These class notes have been prepared for use as a teaching tool in the classroom. They are intended to be supplemented by comments from the professor. Therefore they should not be regarded as a published book, and should not be quoted out of context. However, students are encouraged to use these materials by adapting them to their own needs and modes of expression. Direct quotations should of course be credited to their author.
